# RFKC Part Time Volunteer Expectations & Limitations

Thank you for volunteering to help with Royal Family Kids' Camps'. This is a great opportunity to help some underprivileged children in our community.

Our full time volunteers have gone through extensive training and background checks for the safety of the children and to make sure they can adequately handle the needs of the children all week at camp. As a part time volunteer we want you to know there are a few minimum things that you need to be aware of and that there are some limitations on you because of your part time status.

Our goal is for the children to be safe and have a life changing experience at camp. Here are some things you need to know.

1. Most of these children are from Foster homes. All the children come from backgrounds of abuse, abandonment, or neglect.
2. They may look like normal kids, but their backgrounds are not normal and therefore, some of their behaviors may not be normal. They may be anxious, scared, timid, or aggressive, outspoken and use foul language.
3. Be extra patient, be kind, smile a lot. Expect them to have a great week. They just want to have fun, so be fun. Treat them like Royalty!
4. Don't put them down in any way, shape or form. No sarcasm. Speak words of encouragement, words of hope and words of life.
5. If you see evidence of abuse or overhear stories of abuse, don't overreact.
6. Be very careful how and where you touch them. Some campers don't like to be touched at all. Others might throw themselves all over you. Side hugs only.
7. If you don't understand what the campers are doing or why, ask another adult. If you don't understand some area of your function as a volunteer, ask.
8. Don't make any promises to them and don't share any personal information with them, i.e. names, address, phone numbers etc.
9. One of the safety rules is that there can NEVER be only one adult with a child or children. There must always be Two trained adults present. As a part time volunteer without a background check and training, you are not allowed to be in any area with a camper unless two trained RFKC adults are present.  
Please stay in open areas or make sure there are two trained adults present.

Church you presently attend: \_\_\_\_\_ How long? \_\_\_\_ Yrs. \_\_\_\_ Mos.

I have read or had read to me the above minimum expectations and limitations for part time volunteers at RFKC and I agree to follow them.
